

Industry Leader & GCI Product (Vehicle Engine Heater)

Transformer type
ER28~ER35, PQ20~PQ40

Rating Power : 60~300W

Feature
Isolate power for vehicle
engineer heater

Industry Leader & GCI Product (Vehicle A/C Charger)

Transformer type
EI28~EI40, EFD25, ER42, ETD 49 etc.
Rating Power : 60W ~ 300W

Feature :
Convert vehicle's DC power to A/C
power for refrigerator , computer,
TV or other electric device.

Industry Leader and GCI Product (Irrigation System)

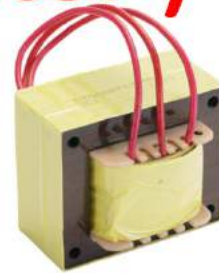

Model :
Class II Transformer, Level VI Adaptor

Rating Power : 24Vac / 0.65A ~ 1A

Feature :
Outdoor irrigation for lawn, landscape.
Agriculture.

Industry Leader and GCI Product (Actuator)

Transformer type :

EI 76~EI 133 ,TR85 ~TR100 (silicon steel lamination)

ETD 39 (Ferrite core)

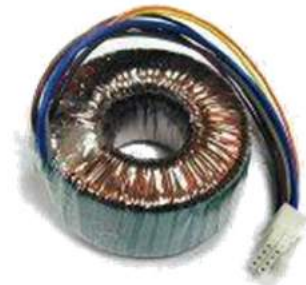

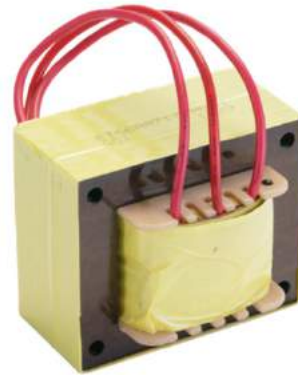

Rating Power : 72W~150W

Application

Electric bed, desk, sky window
and other automation driving
System etc.

Industry Leader and GCI Product (Garage Door Opener)

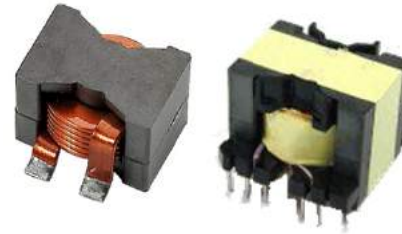

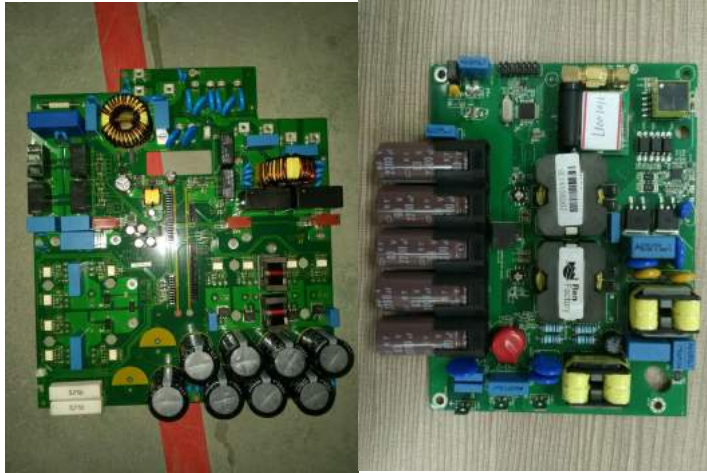

Transformer type
EI76 ~EI97 , TR85 ~TR 100 (silicon steel lamination)

Power request : 24Vdc 72W~150W

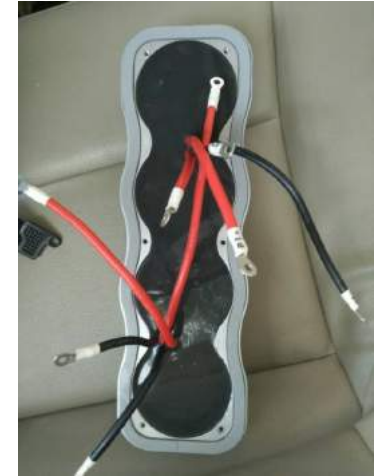

Feature :
For 24Vdc driving, open and close
garage door in silence and fast

Industry Leader and GCI Product (PV Inverter)

Transformer :
EF20, EFD20, PQ32
Flat wire inductor

600W- CE approval
243 x 238 x85 mm

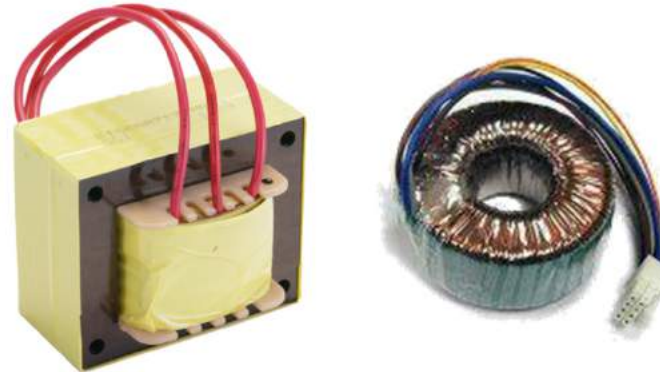

Inside View -
Surface Mounted Design

Rating Power : 300W~ 5KW

Feature :
Convert solar power to electric
Power without pollution.

Industry Leader and GCI Product (Barrier Gate Operator)

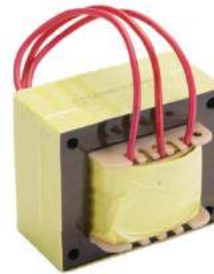

Transformer type :
EI48~EI-76 / TR85 ~TR100

Rating Power : 70W ~ 100W

Feature :
For DC motor driving, fast raise
and fall arm

Industry Leader and GCI Product (Audio Amplifier)

Transformer type
EI76 ~ EI 105, TR 85 ~TR100

Rating Power : 100W~300W

Feature :
Vacuum tube, semiconductor driving, for
electric guitar, Hi-Fi system, public address,
Subwoofer application.
